

PARISH ACCOUNTS – YEAR ENDED 31st AUGUST 2023

	<p>The day-to-day cost of running our cathedral parish in the year was £669 per day or £4,683 per week.</p>
	<p>Each person attending Sunday Mass donated on average £2.59 per week, which amounted to £2,256 per week in total (only 48% of our day to day running costs). We also received money from things like car park fees, candles, donations, and rent from the diocese.</p>
	<p>Thanks to cost control and fundraising for major repairs, on 31st August 2023 we had a bank balance of £152,837. Due mainly to payments on account for the West Window, this had fallen to £61,415 by 7th November 2023.</p>

A survey by architects completed in September 2023 indicates that more than £1 million will need to be spent on repairs and maintenance over the next five years.

Here are some ways you can support your cathedral financially.

Consider donating more each week.

Switch your donation to a monthly standing order or direct debit.

If you are a UK taxpayer, please fill in a Gift Aid form. (You can find one at the exits to the cathedral or on the Documents section of the parish website.) For every £1 you donate, the government gives the parish 25 pence, at no extra cost to you.
